

EE Home Broadband:

18 month minimum term applies. Subject to credit check. Monthly charges assume online billing. Consumer plans only. Calls charged at standard call rates, see our Price Guide for info at ee.co.uk/homepricing. £50 charge applies if new phone line required. Speeds referred to are download speeds. Speed depends on the distance to the nearest street cabinet that connects you to our network and number of users. Subject to availability. Our standard broadband terms apply, see ee.co.uk/terms.

Fibre and Fibre Plus Broadband:

Only available for customers living in our fibre network area. 18 month minimum term applies. Subject to credit check. Calls charged at standard call rates, see our Price Guide for info at ee.co.uk/homepricing. £50 charge applies if new phone line required. Speeds referred to are download speeds. Speed depends on the distance to the nearest street cabinet that connects you to our network and number of users. Subject to availability. Our fibre broadband terms apply, see ee.co.uk/terms.

Fibre Max:

Only available for customers living in our fibre network area. 18 month minimum term applies. Subject to credit check. Monthly charges assume online billing. Consumer plans only. Calls charged at standard call rates, see our Price Guide for info at ee.co.uk/homepricing. £50 charge applies if new phone line required. Speeds referred to are download speeds. Speed depends on the distance to the nearest street cabinet that connects you to our network and number of users. Fibre Max includes Anytime UK & International calls and Call Plus add-ons (see below for details). Engineer appointments: Two fixed slots of 2 hours: 10am-12pm and 2pm-4pm. Available Monday-Friday (subject to availability), excluding any Bank or Public Holidays. We can change the Fibre Max inclusive benefits upon reasonable notice. Subject to availability. Our fibre broadband terms apply, see ee.co.uk/terms.

Weekend Calls to UK Landlines Add-on:

Zero-rated calls to UK landlines 01, 02 and 03 at the weekend (that's from midnight on Friday night to midnight on Sunday night). Re-dial before 60 minutes to avoid call charges. All calls are rounded up to the nearest minute. If you make calls to numbers beginning 084, 087, 09 or 118 in the UK, your call charge is comprised of the EE access charge of 11p/min and a service charge that is set by the organisation you are calling. When you call 0845 or 0870 numbers at the weekend we'll cover the cost of the EE access charge. One active Calling add-on per account. You must keep your Calling add-on for at least 30 days. Pricing valid until 15th January 2018. Please see our Price Guide at ee.co.uk/homepricing for more information.

Anytime Calls to UK Landlines Add-on:

Zero-rated calls to UK landlines 01, 02 and 03 at any time. Re-dial before 60 minutes to avoid call charges. All calls are rounded up to the nearest minute. If you make calls to numbers beginning 084, 087, 09 or 118 in the UK, your call charge is comprised of the EE access charge of 11p/min and a service charge that is set by the organisation you are calling. When you call 0845 or 0870 numbers at any time we'll cover the cost of the EE access charge. One active Calling add-on per account. You must keep your Calling add-on for at least 30 days. Pricing valid until 15th January 2018. Please see our Price Guide at ee.co.uk/homepricing for more information.

Anytime Calls to UK Landlines & Mobiles Add-on:

Zero rated calls to UK landlines starting 01, 02, 03 and 1,500 minutes per month to call UK mobile numbers (excluding Jersey, Guernsey & Isle of Man); Re-dial before 60 minutes to avoid call charges. All calls are rounded up to the nearest minute. If you make calls to numbers beginning 084, 087, 09 or 118 in the UK, your call charge is comprised of the EE access charge of 11p/min and a service charge that is set by the organisation you are calling. We'll cover the cost of the EE access charge when you call 0845 or 0870 numbers at any time. 20p connection charge and standard per minute charges apply if you have used up your 1,500 minutes to UK mobile numbers. Unused minutes do not rollover. One active Calling add-on per account. You must keep your Calling add-on for at least 30 days. Pricing valid until 15th January 2018. Please see our Price Guide at ee.co.uk/homepricing for more information.

Anytime UK & International Calls Add-on:

Zero rated calls to UK landlines starting 01, 02, 03, 1,500 minutes per month to call UK mobile numbers (excluding Jersey, Guernsey & Isle of Man); and calls to selected international standard landline numbers (see ee.co.uk/homepricing for countries), when using your landline at any time. We can change any of the included countries from the add-on upon reasonable notice. Add-on includes 30% discount on our standard rates for calls from your UK landline to all international landlines. Re-dial before 60 minutes to avoid call charges. All calls are rounded up to the nearest minute. If you make calls to numbers beginning 084, 087, 09 or 118 in the UK, your call charge is comprised of the EE access charge of 11p/min and a service charge that is set by the organisation you are calling. We'll cover the cost of the EE access charge when you call 0845 or 0870 numbers at any time. 20p connection charge and standard per minute charges apply if you have used up your 1,500 minutes to UK mobile numbers. Unused minutes do not rollover. Inclusive calls to international landlines will be subject to a 1,000 minute fair use policy and you cannot use this allowance to make calls to mobile telephone numbers (unless specifically stated), non-geographic or premium rate numbers. One active Calling add-on per account. You must keep your Calling add-on for at least 30 days. Please see our Price Guide at ee.co.uk/homepricing for more information.

Call Plus add-on

Includes: Anonymous Call Rejection, Call Diversion, Call Waiting, Choose to Refuse, Reminder Call, Ring Back, Three-Way Calling. Details of these features, and how to set them up and use them, and be found at ee.co.uk/help. You must keep your Call Plus add-on for at least

Data boost

5GB data boost: available to new and existing Pay Monthly phone or 12-month SIM Only customers who sign up to 4GEE Home or fixed broadband plan. Data allowance boosted by 5GB. Boost added to mobile only and cannot be added to 4GEE Home device. You'll lose the 5GB data boost if you cancel your 4GEE Home or fixed broadband. **20GB data boost:** Data allowance boosted by 20GB if you have both a Pay Monthly phone plan and Fibre Max Broadband. You will lose the 20GB boost if you move to a Pay Monthly SIM Only plan or non-Fibre Max broadband plan at any point, or cancel either plan. **General:** Not available with 30 Day SIM Only plans, non-lead Sharer plans or 4GEE Home devices. In order to retain your data boost when you upgrade or change your Pay Monthly plan, your 4GEE Home and fixed broadband must still be active and you must be moving to an eligible Pay Monthly plan. Data fair use policy may apply when roaming. One boost per household. Subject to availability. We reserve the right to withdraw or vary the boost at any time.

Norton Security:

12 month subscription to Norton Security Premium for up to ten devices worth £79.99. Offer available to customers joining EE broadband for the first time. Subscription automatically renews for year 2 (currently £39.99). Set "Auto-Renewal" to "off" in your Norton account to avoid subscription charges. Minimum system requirements apply. For more details, including a full list of features, see ee.co.uk/nortonsecurity.
