5GB Data Boost: Available to new and existing Pay Monthly phone or 12-month SIM Only plan mobile customers who sign up to 4GEE Home or fixed broadband plan. Data allowance boosted by 5GB. Boost added to mobile only and cannot be added to 4GEE Home device. Not available with 30 Day SIM Only plans or non-lead Sharer plans. You'll lose the data boost if you cancel your 4GEE Home or broadband plan. In order to retain your data boost when you upgrade or change your Pay Monthly plan, your 4GEE Home or EE broadband must still be active and you must be moving to an eligible Pay Monthly plan. It can take up to 30 days from broadband account start date for your Data Boost to be applied. Data fair use policy may apply when roaming. One boost per household. Subject to availability. We reserve the right to withdraw or vary the boost at any time.

20GB Data Boost: Available to new and existing Pay Monthly phone customers who sign up to a Fibre Max broadband plan. Data allowance boosted by 20GB. Not available with SIM Only plans, non-lead sharer plans or 4GEE Home devices. You'll lose the data boost if you cancel your Fibre Max Broadband or Pay Monthly phone plan, or switch to a Pay Monthly SIM Only plan. In order to retain your data boost when you upgrade or change your Pay Monthly phone plan, your Fibre Max Broadband must still be active, and you must be moving to or remaining on a Pay Monthly phone plan. It can take up to 30 days from broadband account start date for your Data Boost to be applied. Data fair use policy may apply when roaming. One boost per household. Subject to availability. We reserve the right to withdraw or vary the boost at any time.

EE TV: Only available for customers signing up to a new broadband plan. 18 month minimum term applies. Monthly charges assume online billing. Subject to credit check. Residential, private and domestic use only. Not to be used for commercial purposes or public broadcast. Set-top box provided on free hire and it's your responsibility to keep it in good condition. You'll need to return the box at the end of the agreement, otherwise we'll charge you and lock certain services. Rooftop digital aerial required. Free to air television channels only unless you pay extra for content. Free television channels are subject to coverage, see www.freeview.co.uk/availability You'll need a valid TV licence. Subject to availability. For the full terms, see ee.co.uk/eetvterms.

4G Home Router: Indoor use only. Compatible laptop/tablet and 4G coverage required, see ee.co.uk/why-ee/mobile-coverage Plans are for mobile internet in a fixed location. Supports up to 10 compatible devices. Signal range up to 30m. The more devices you have connected to your 4GEE Home Router at the same time, the slower your internet connection will be. Access to our fastest available speeds. 4G speeds depend on the location of your router (we recommend you place your router on or near a window sill), the number of users and plan. Further terms apply. See ee.co.uk/terms
